## Funding for every student!

The Jane Addams Middle School PTSA organizes one fundraiser each year to ensure every JAMS student is given learning opportunities which promote academic success and social well-being.

Every penny raised by the Annual Give Campaign goes to support students at Jane Addams Middle School and is used to fully fund this year's budget. With your generous donation JAMS PTSA can continue to support academic enrichment, technology, athletics, the library and much more. When you donate your time or money, we are able to support community building and outreach, including field trips and after school programs. Any amount you can give is the right amount.

Volunteer hours are just as important as dollars donated. Please consider helping at JAMS.

We thank you for your support and look forward to another amazing year at JAMS!
